

CURRICULUM VITAE of Jun FUJII

Date of Birth 10, December, 1965
Sex Male
Birth place Palo Alto, CA, USA
Nationality Japan

Education

1984-1989 Department of Physics, Faculty of Science, Shinshu University
1989-1991 Graduate School of Science, Master Course, University of Tsukuba
(Physics Major)
1991-1994 Graduate School of Science, Doctor Course, University of Tsukuba
(Physics Major)

Degrees

Mar. 1989 Bachelor of Science, Shinshu University
Mar. 1991 Master of Science, University of Tsukuba
Mar. 1994 Doctor of Science, University of Tsukuba

Doctoral thesis title:

“Electronic Structure of Ferromagnetic Ni
studied by Spin Resolved Photoelectron Spectroscopy.”

Work Experiences

Apr. 1994-Jun. 2001 Research Associate, Faculty of Science, Gakushuin
University at Tokyo, Japan.
Jul. 2001-Jun. 2003 postdoctoral fellowship at Elettra, Italy
Jul. 2003-present Beamline Scientist at APE, CNR-IOM, Trieste, Italy
